# 4 O'Clock

3D Video Game

Led by your higher consciousness in the shape of a fish, explore the terrains of life while you consider philosophical questions on time and how you spend it.

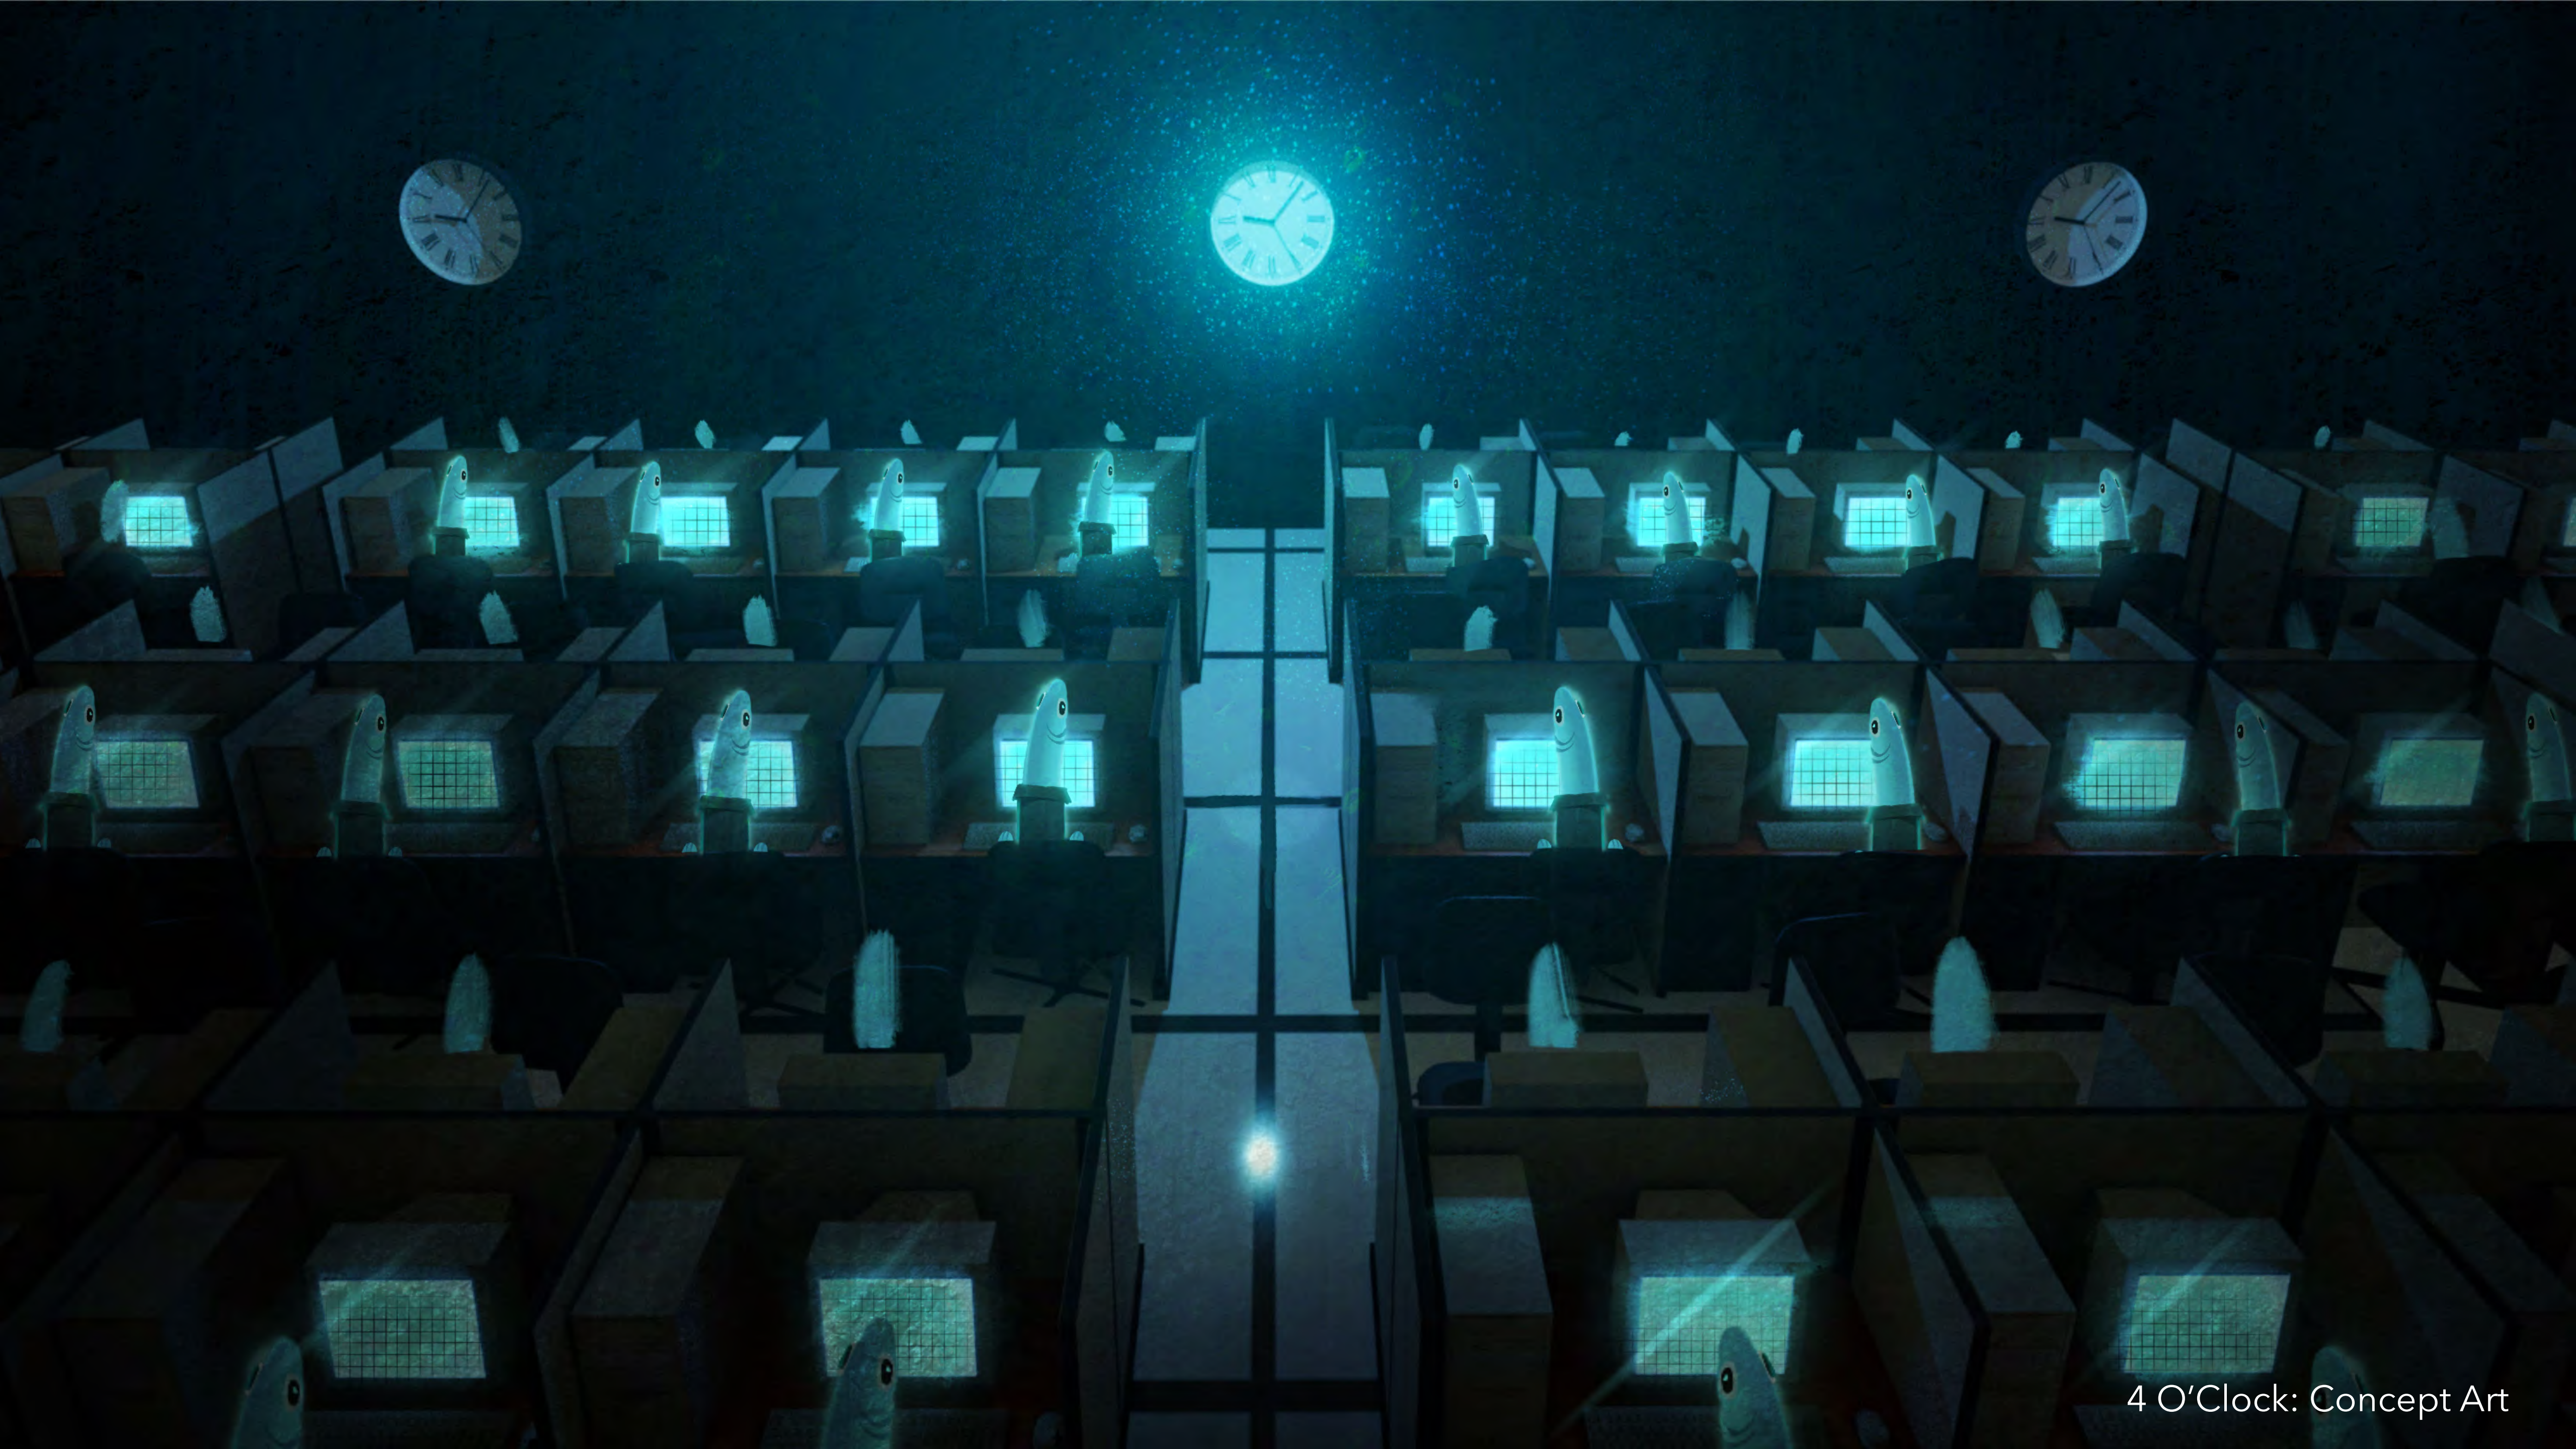

Will you ultimately take the reins on the ticking clock?

# Fish Philosopher

## Illustration Series

Like a fish out of water, he feels estranged from his daily life. He turns to the philosophers of the past for an answer, but will their voices resonate with him?
